A powerful message of hope for anyone burdened by regret and everyone who longs for a fresh start. The heart of People of a Second Chance is HOPE. Every second chance starts with that at the core. And every reader could use at least one second chance (maybe more!). This book will equip the reader to fight for hope for others and also themselves. Foster's examination of hope is one part challenge, two parts encouragement. He forces the reader to ask the following questions: How did I lose it? How do I get? How do I give it? Each question is broken down into core concepts that are essential to a life devoted to the power of second chances: awareness, discovery, ownership, forgiveness, acceptance and freedom. Foster makes good on the name of his ministry: he helps show that God offers a second chance for all who need hope, grace, or forgiveness.
