Preaching

Fred B. Craddock

Preaching Fred B. Craddock

A standard textbook on the art and craft of preaching. Craddock weaves history, theology, and hermeneutics into an exhaustive text on sermon preparation and preaching.

Painstakingly prepared for seminary students and clergy, this book answers the fundamental question: How does one prepare and deliver a sermon? Craddock's approach is practical, but also allows for concentrated study of any particular dimension of the process.

"Filled with practical wisdom. . . . A liberating book."--Richard Lischer, Duke University.
