Reckoning (In Too Deep...) Jo Leigh

Desperate times—

Brilliant chemist Tamara Chen can't believe the wild desire she feels for ex-Delta Force operative Nate Pratchett, especially with their lives on the line. But his strong body offers her the comfort she needs during this insane period—when she, Nate and his team are wanted, dead or alive.

Desperate pleasures—

Nate knows he's stealing pleasure with sweet Tam on borrowed time. They're just a step ahead of their enemies, and as commander it's Nate's job to keep them all safe—not spend every spare moment making love with Tam.

But when you're this close to death it's the only way to feel alive.
