Wanda Praamsma

## **a thin line between** Wanda Praamsma

In what can be described as a verse-novel for its lyricism and rhythmic structure, Wanda Praamsma crafts a story that transcends geographic boundaries and time periods, by weaving together lives from her own family's past, including her poet-grandfather and sculptor-uncle. Subtle in its life lessons, *a thin line between* works at 'peeling away the I's' to explore concepts of self and family in flux. What emerges is a poignant, and at times humorous, portrait of a Dutch-Canadian family and a close look into a young woman's exploration of her own being and creative life.

Praamsma's writing draws comparisons to popular Canadian writers like Elizabeth Bachinsky, Phil Hall, and Daphne Marlatt, and will appeal to readers in their 20s and 30s who are coming to terms with issues of parenting and family, as they negotiate the spaces for their own individual lives and their creative selves.
