Hazel can't wait for her baby brother to be born so she can talk and read with him! But when, at last, he arrives, he just sits there. More disappointing yet, when he finally speaks, his first word is a resounding *NO!* But Hazel resolves to wait some more—despite the ever-increasing *NOs*—and she keeps on reading aloud to him. Will Edgar ever say anything else? And if he does, what will his second word be?

The magic of sharing books is at the center of this hilarious new baby story that will resonate with book lovers and any child who has trouble waiting.
