Ghana (Africa in the New Millennium)

Ghana (Africa in the New Millennium)

This unique collection is an invaluable guide to Ghana's political past, present and future. It examines how Ghana has dealt with the problems of institution-building, state-market relations and democratic leadership since its return to constitutional rule in 1993. The contributors also assess the future of the democratic experiment in one of sub-Saharan Africa's rare 'islands of peace' by focusing on the challenges posed by security, human rights and foreign policy in the twenty-first century.
