New Parties in Government: In Power for the First Time (Routledge/ECPR Studies in European Political Science)

New Parties in Government: In Power for the First Time (Routledge/ECPR Studies in European Political Science)

Party literature is largely focused on the rise and success of new parties and their effects on party systems and older parties. This book, on the other hand, provides a valuable and original addition to such literature by analyzing what happens to a party when it enters government for the first time.

Leading contributors assess how these parties, whether old or new, change when entering government by answering a set of questions:

- How and why has their role changed?
- What are the consequences of change?
- What explains the evolution from principled opposition to loyal opposition and eventually to participation in the executive?
- Which characteristics of the parties can be held responsible?
- Which characteristics of the parties' context should be brought into the picture?
- What have been the effects of the status change on party organization, party ideology and electoral results?

Covering a wide range of European parties such as the Finish Greens, right wing parties (FN, Lega Nord and Alleanza Nazionale) and new parties in Italy , The Netherlands and Sweden to name a few; this book will be of particular interest to scholars and students concerned with party systems, political parties and comparative politics.

Billy Golden:

People live in this new moment of lifestyle always aim to and must have the extra time or they will get lots of stress from both way of life and work. So , if we ask do people have spare time, we will say absolutely yes. People is human not a robot. Then we consult again, what kind of activity are there when the spare time coming to a person of course your answer will certainly unlimited right. Then ever try this one, reading guides. It can be your alternative within spending your spare time, the book you have read is definitely New Parties in Government: In Power for the First Time (Routledge/ECPR Studies in European Political Science).

Bonnie Vassallo:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this New Parties in Government: In Power for the First Time

(Routledge/ECPR Studies in European Political Science) can make you truly feel more interested to read.
