Terror Red David Hunt, Christine Hunsinger

What have we been afraid of since 9/11? In *Terror Red*, Colonel David Hunt gives us a frighteningly realistic look at what could be the next major terrorist assault.

Colonel David Gibson is a recently retired Special Operations Officer. Together with political consultant Christina Marchetti, he must take down a terrorist organization bent on hijacking planes, blowing up cities, and much more. Their pursuit of these heavily financed, ruthlessly trained killers hurls Gibson and Marchetti into a whirlwind of death and destruction. If they can't stop this murderous conspiracy, America could well be plunged into World War III.

But can they stop them in time?
