The magical Realm of Lameere, a once prosperous land, has fallen under the rule of a vengeful government... a place where magic is being stolen and freedoms have been unknowingly taken. Out of this totalitarian nightmare comes the story of Faye and Declan Willows, siblings who discover that they too have magical powers. Thrust into this dangerous world where the government controls everything and defiance means death, the siblings find themselves pitted against a ruthless monarch and they are fighting to keep the very thing that could save Lameere... their magic.

The Magik Collector merges dystopian fantasy with the modern world, taking readers on a wild ride that they will not want to end.
