**Learn about the history, culture and techniques of filipino escrima with this informative martial arts guide.**

The history of the Philippines and her martial arts is a history of resistance and revolt. Born into this fertile time and place, Grandmaster Leo M. Giron became a child of revolution. He grew up in a time when martial arts training was a necessity, not a luxury. His system was taught to him by five renowned masters; his experience honed in the jungle warfare of World War II.

*The Secrets of Giron Arnis Escrima* is an engaging biography of Leo Giron, a renowned master of escrima and survivor of numerous hand-to-hand encounters in the Philippine jungles. It is also a visual and descriptive survey of Giron's fighting art—a classical weapons and empty-hand self-defense system applicable in today's modern society. Included is an overview of the twenty styles that make up the Giron system in general, and an analysis of the *de fondo* and *cadena de mano* styles in particular. Packed with over 300 historical and instructional photographs this book truly reveals the secrets of this Filipino martial art.
