The Vatican Prophecies: Investigating Supernatural Signs, Apparitions, and Miracles in the Modern Age John Thavis

“The process by which these supernatural events are authenticated is expertly told by John Thavis, one of the world’s leading Vaticanologists. In fact, that a book on so secretive and complex a topic is so deeply researched, beautifully written, and artfully told is something of a small miracle itself.”—James Martin, S.J., author of *Jesus: A Pilgrimage*

From the *New York Times* bestselling author of *The Vatican Diaries*, a fascinating behind-the-scenes look at how the Vatican investigates claims of miraculous events

Apocalyptic prophecies and miraculous apparitions are headline-grabbing events that often put the Catholic Church’s concept of “rational faith” at odds with the passion of its more zealous followers. To some, these claims teeter on the edge of absurdity. Others see them as evidence of a private connection with God. For the Vatican, the issue is much more nuanced as each supposed miraculous event could have serious theological and political consequences. In response, the Vatican has developed a highly secretive and complex evaluation system to judge the authenticity of supernatural phenomena.

Former journalist John Thavis uses his thirty years’ experience covering the Vatican to shed light on this little-known process, revealing deep internal debates on the power of religious relics, private revelations, exorcisms, and more. Enlightening and accessible to Catholics and non-Catholics alike, the book illustrates the Church’s struggle to balance the tension between traditional beliefs and contemporary skepticism.
