Baxter residents fear upheaval when a regional tire plant announces it's coming to Baxter. Rumor says mayor Charlie Kirby's signature on the deal was influenced by an affair with the tire company's corporate attorney - who dies suddenly after the agreement is finalized. Charlie, a pillar of the community and a father of seven, faces the court of public opinion and the biggest moral dilemma of his life. Meanwhile, newspaper editor Ellen Jones goes looking for a feature story, collides with the brick wall of the late attorney's past - and is stalked by someone pursuing the same track!
