African Myths and Legends Dianne Stewart, Jay Heale

African Myths and Legends is a spellbinding, fascinating collection of myths and legends to enliven the imagination of young readers. No-one is entirely sure whether these legends are fact or fiction, but that is where the magic lies! Each story is accompanied by snippets of information highlighted by the story. Vividly told and illustrated, the book sustains the intrigue of storytelling that has been passed on – often by word of mouth – from generation to generation. Illustrated in magnificent colour by Gina Daniel and Angus McBride, African Myths and Legends weaves fantasy and magic, and is also informative and educated.
