A dangerous attraction... Michael Adams is no angel. But she's no murderer either, even if she did joke with her sisters about killing her ex-husband, Phil, after their nasty divorce. How was she to know that someone really wanted Phil dead—or that she would become the prime suspect? It doesn't help that the investigating detective is so distractingly gorgeous that Michael can hardly think straight....

Michael is sexy, smart and a little bit wild— everything Detective Kyson Dekker loves in a woman. True, there is that tiny problem of her being the prime suspect in a homicide, and the fact that Kyson is torn between seducing her and getting her to confess. But if she's being framed, Michael needs protection—and Kyson is ready to prove he's the man for the job, in every way....
