Hero the Amazon is a tale of adventure, love, war and survival set in the sophisticated civilisation of Minoan Crete. Hero's adventures take her from slavery into freedom, from Crete to the mysterious Tin Isles, and from man-hating into love. Powerful enemies have reasons to try to kill Hero and the young merchant who loves her, but trusted friends aid the couple in their ventures to the limits of the known world.

On their return they must fight for their lives, first against man and then against nature as a great catastrophe overtakes them. Their determination to survive is matched by their love as the world collapses around them.
