The Beast (Timberline Books) Benjamin B. Lindsey, Harvey J. O'Higgins

Judge Benjamin Barr Lindsey's exposé of big business's influence on Colorado and Denver politics, a best seller when it was originally published in 1911, is now back in print. *The Beast* reveals the plight of working-class Denver citizens—in particular those Denver youths who ended up in Lindsey's court day after day. These encounters led him to create the juvenile court, one of the first courts in the country set up to deal specifically with young delinquents. In addition, Lindsey exposes the darker side of many well-known figures in Colorado history, including Mayor Robert W. Speer, Governor Henry Augustus Buchtel, Will Evans, and many others. When first published, *The Beast* was considered every bit the equal Upton Sinclair's *The Jungle* and sold over 500,000 copies. More than just a fascinating slice of Denver history, this book—and Lindsey's court—offered widespread social change in the United States.

From reader reviews:

Ethel Davidson:

Information is provisions for people to get better life, information these days can get by anyone from everywhere. The information can be a understanding or any news even a problem. What people must be consider any time those information which is within the former life are hard to be find than now is taking seriously which one would work to believe or which one the actual resource are convinced. If you find the unstable resource then you buy it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take The Beast (Timberline Books) as your daily resource information.

Jeffrey Smith:

Playing with family within a park, coming to see the marine world or hanging out with buddies is thing that usually you will have done when you have spare time, then why you don't try point that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love The Beast (Timberline Books), you could enjoy both. It is great combination right, you still want to miss it? What kind of hang-out type is it? Oh come on its mind hangout fellas. What? Still don't understand it, oh come on its called reading friends.

Ashley Paul:

Don't be worry when you are afraid that this book may filled the space in your house, you may have it in e-book way, more simple and reachable.
