El arte de hacer dinero (Spanish Edition)

Mario Borghino

El arte de hacer dinero (Spanish Edition) Mario Borghino

Muchos trabajamos toda la vida por dinero, sólo unos cuantos saben cómo hacer que el dinero trabaje para ellos.

Este libro ofrece una perspectiva basada en los principios que guían la mente de las personas que han pensado como millonarios. Éstos son universales y no importa cuál sea tu situación actual, lo relevante es incorporar hábitos correctos para darte a ti mismo una vida con libertad financiera. Al margen de tu nivel de ingresos actual, la oportunidad de pensar como millonario y hacerte rico está fácilmente a tu alcance.

Los hábitos acerca del dinero son la clave de la riqueza. Sorprendentemente, millones de personas trabajan día tras día para ganar algo que no saben cómo administrar pero sí cómo gastar. La mayoría sufre por el mal manejo de deudas contraídas y por un avasallante número de tarjetas de crédito que dan un sentido aparente de liquidez pero son terreno fértil para las víctimas del consumo emocional, con el subsecuente deterioro de la economía del tarjetahabiente, que sólo contribuye, con esa actitud, a enriquecer la vida de otros.

El anhelo más grande de todo ser humano es poder hacer con su vida lo que desea en el momento en que así lo decida y gracias a un respaldo económico que le permita tomar dicha decisión el día que quiera con toda libertad y autonomía. Noventa por ciento de las personas que han logrado esta holgura económica comenzaron su vida sin un centavo en la bolsa, y fue la inteligencia financiera lo que les permitió alcanzar la mayor meta económica en la vida. Si tú estás interesado, gracias a este libro podrás alcanzar lo que parece un sueño.
