Forgiveness Project, The

Michael S. Barry

Forgiveness Project, The Michael S. Barry

After thorough medical, theological, and sociological research and clinical experience at Cancer Treatment Centers of America (CTCA), author and pastor Michael Barry has made a startling discovery: the immune system and forgiveness are very much connected. Through the inspiring stories of five cancer patients, Barry helps readers identify—and overcome—the barriers that prevent healing and peace. See how a breast cancer patient named Jayne experienced spiritual and physical renewal when she learned to forgive. Meet Cathy whose story illustrates how forgiveness can positively change relationships. Be inspired by Sharon's story of spontaneous remission. With each true account comes proven strategies, tested and used by CTCA, that readers can implement to find peace with their past, relief from their hatefulness, and hope for healing.
