Regional Cooperation and Integration

Over the past 2 decades, the Asian Development Bank (ADB) and its developing member countries have worked together to promote regional cooperation and integration (RCI). Evolving economic conditions continually pose new challenges to RCI efforts. In March 2012, about 160 representatives from Asia and the Pacific met to share their RCI experiences and discuss strategies for deepening RCI in the region. This summary of the conference features the discussions and presentations including information on major RCI programs. It aims to improve understanding of RCI and help guide future strategies within the region.
