## Teaching Nonmajors: Advice for Liberal Arts Professors P. Sven Arvidson

*Delivers uncomplicated and useful techniques for better teaching to nonmajors in liberal arts courses.*

Teaching Nonmajors focuses on what dedicated teachers want to know—how can I teach better in the classroom? Unlike most books on teaching, this book delivers uncomplicated and immediately useful techniques and strategies for teaching required courses to nonmajors. Providing practical examples and brief anecdotes drawn from a variety of disciplines in the liberal arts and sciences, the author describes simple ways to break up lectures, how to stimulate the best discussions, the art of assignments, how to improve student ratings, and successful strategies for engaging nonmajors and for handling problem students. Teaching Nonmajors is written especially for liberal arts college and university professors at all career stages—from adjuncts and new professors, to seasoned professors looking for a fresh approach heading into a new term.

P. Sven Arvidson is Visiting Associate Professor of Philosophy and Senior Faculty Fellow in the Center for Excellence in Teaching and Learning at Seattle University. He is the author of *The Sphere of Attention: Context and Margin* and the coeditor (with Robbie Davis-Floyd) of *Intuition: The Inside Story: Interdisciplinary Perspectives*.

#### **Gerald Kelly:**

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the professor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Teaching Nonmajors: Advice for Liberal Arts Professors can make you sense more interested to read.

#### **Dwight Richardson:**

What is your hobby? Have you heard in which question when you got students? We believe that that concern was given by teacher to the students. Many kinds of hobby, All people has different hobby. And also you know that little person such as reading or as looking at become their hobby. You must know that reading is very important along with book as to be the thing. Book is important thing to add you knowledge, except your own teacher or lecturer. You see good news or update in relation to something by book.
