A Short History of Russia

Mary Platt Parmele

A Short History of Russia Mary Platt Parmele

If this book seems to have departed from the proper ideal of historic narrative—if it is the history of a Power, and not of a People—it is because the Russian people have had no history yet. There has been no evolution of a Russian nation, but only of a vast governing system; and the words "Russian Empire" stand for a majestic world-power in which the mass of its people have no part. A splendidly embroidered robe of Europeanism is worn over a chaotic, undeveloped mass of semi-barbarism. The reasons for this incongruity—the natural obstacles with which Russia has had to contend; the strange ethnic problems with which it has had to deal; its triumphant entry into the family of great nations; and the circumstances leading to the disastrous conflict recently concluded, and the changed conditions resulting from it—such is the story this book has tried to tell.

Nisyros Publishers has a proud history of publishing high quality and rare titles.
