## Alpha Goddess Amalie Howard

In Seraphine Caelum's world, gods exist. So do goddesses. Sera knows this because she is one of them. A secret long concealed by her parents, Sera is Lakshmi reborn, the human avatar of an immortal Indian goddess rumored to control all the planes of existence—Illysia (the Light Realm), Earth (the Mortal Realm), and Xibalba (the Dark Realm). Marked by the sigils of both heaven and hell, Sera's avatar is meant to bring balance to the mortal world, but all she creates is chaos. A chaos that Azraiel, the Asura Lord of Death, hopes to use to unleash hell on earth.

Torn between reconciling her past and present, Sera must figure out how to stop Azraiel before the Mortal Realm is destroyed. But trust doesn't come easy in a world fissured by lies and betrayal. Her best friend Kyle is hiding his own dark secrets, and her mysterious new neighbor, Devendra, seems to know a lot more than he's telling. Struggling between her opposing halves and her attraction to the boys tied to each of them, Sera must become the goddess she was meant to be, or risk failing, which means sacrificing the world she was born to protect.

Retellings of classic fairy tales and Greek myths are becoming staples in the YA and adult fiction genres, and now Amalie Howard, author of the popular *Bloodspell*, brings the myth of Rama and Sita's love story to an exciting new level. Howard's stunningly fresh voice and imaginative characters promise to make *Alpha Goddess* an exciting addition to the young adult fiction world. Aimed at readers ages 13 to 17, both girls and boys will relate to Sera's and Kyle's realistic teen persona and dilemmas while learning more about a famous Hindu myth.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

### **From reader reviews:**

#### **Linda Spaulding:**

Do you have favorite book? Should you have, what is your favorite's book? Guide is very important thing for us to be aware of everything in the world. Each e-book has different aim or perhaps goal; it means that e-book has different type. Some people feel enjoy to spend their time and energy to read a book. They are reading whatever they take because their hobby is definitely reading a book. Consider the person who don't like reading a book? Sometime, person feel need book whenever they found difficult problem or perhaps exercise. Well, probably you'll have this Alpha Goddess.

#### **Eric Butler:**

Nowadays reading books be a little more than want or need but also turn into a life style. This reading behavior give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The details you get based on what kind of publication you read, if you want get more knowledge just go with training books but if you want experience happy read one with theme for entertaining including comic or novel. The Alpha Goddess is kind of guide which is giving the reader erratic experience.

#### **Wallace Long:**

Spent a free time to be fun activity to perform! A lot of people spent their sparetime with their family, or their particular friends. Usually they undertaking activity like watching television, going to beach, or picnic inside the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your free time/ holiday? Could possibly be reading a book is usually option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of book that you should read. If you want to try out look for book, may be the publication untitled Alpha Goddess can be excellent book to read. May be it may be best activity to you.

#### **Jane Turcotte:**

People live in this new morning of lifestyle always make an effort to and must have the time or they will get large amount of stress from both way of life and work. So , if we ask do people have free time, we will say absolutely yes. People is human not just a robot.
