Caring for our Built Heritage: Conservation in practice: a review of conservation schemes carried out by County Councils and National Park Authorities ... with District Councils and other agencies Tony Haskell

Conservation is now a major part of planners', surveyors' and architects' work load. This review of recent conservation schemes carried out by the County Councils in England and Wales will provide a unique and indispensable reference book for professionals in the construction industry embarking on 'heritage' work. Using detailed and highly-illustrated case studies, the book documents over 100 schemes from industrial archaeology to historic parks.
