The Dalai Lama, Bhikkhu Bodhi

In the Buddha's Words: An Anthology of Discourses from the Pali Canon (Teachings of the Buddha)

The Dalai Lama, Bhikkhu Bodhi

This landmark collection is the definitive introduction to the Buddha's teachings - in his own words. The American scholar-monk Bhikkhu Bodhi, whose voluminous translations have won widespread acclaim, here presents selected discourses of the Buddha from the Pali Canon, the earliest record of what the Buddha taught. Divided into ten thematic chapters, *In the Buddha's Words* reveals the full scope of the Buddha's discourses, from family life and marriage to renunciation and the path of insight. A concise, informative introduction precedes each chapter, guiding the reader toward a deeper understanding of the texts that follow.

In the Buddha's Words allows even readers unacquainted with Buddhism to grasp the significance of the Buddha's contributions to our world heritage. Taken as a whole, these texts bear eloquent testimony to the breadth and intelligence of the Buddha's teachings, and point the way to an ancient yet ever-vital path. Students and seekers alike will find this systematic presentation indispensable.
