Raechels Eyes: The Strange But True Case of a Human-Alien Hybrid

Helen Littrell

Raechels Eyes: The Strange But True Case of a Human-Alien Hybrid Helen Littrell

A fascinating true story in novel form, telling of the author's daughter's experience with her college roommate, who turns out to be a live-in alien hybrid under government protection. Amazing, but true. A real page-turner, together with actual hypnosis session transcripts backing up the factual claims.
