**Eligible bachelor doctor seeks wife.**

It may not be entirely true, but Dr. Ryan Fisher has a reputation for being a bit of a playboy. His charm wins over the patients *and* the female staff—all except one woman. The one he really wants.

Dr. Hannah Jackson avoids men like Ryan Fisher, instinctively protecting herself from heartbreak. When she discovers they are both heading to Crocodile Creek, she can't believe her bad luck!

An emergency forces them to work together, and Hannah discovers a different side of Ryan. She's soon tempted to let her guard down as she realizes they would make a great team—professionally *and* personally.
