Lydia Dare

A Certain Wolfish Charm (Westfield Wolves Book 1) Lydia Dare

In Lydia Dare's debut trilogy, Regency England has gone to the wolves!

He gets crankier and crankier as the moon gets full...

The rules of Society can be beastly-especially when you're a werewolf and it's that irritating time of the month. Simon Westfield, the Duke of Blackmoor, is rich, powerful, and sinfully handsome, and has spent his entire life creating scandal and mayhem. It doesn't help his wolfish temper at all that Miss Lily Rutledge seems not the least bit afraid of him, and in fact, may be as untamable as he is...

A woman whose charm is stronger than the moon...

When Lily's beloved nephew's behavior becomes inexplicably wild, she turns to Simon, the boy's cousin and guardian, for help. But Simon's idea of assistance is far different than hers, and Lily finds herself ensconced in his house and engaged to the rogue.

They both may have bitten off more than they can chew when each begins to discover the other's darkest secrets...

Celebrate the 80th birthday of Regency Romance with great books from Sourcebooks Casablanca!

"A *Certain Wolfish Charm* has bite! With its sexy hero, engaging heroine, and sizzling sexual tension, you won't want to put it down even when the moon is full."-Sabrina Jeffries, *New York Times* bestselling Author of *Wed Him Before You Bed Him*
