Implement the Common Core for ELA without all the stress

A Non-Freaked Out Guide to Teaching the Common Core uses the often-neglected anchor standards to get to the heart of the Common Core State Standards (CCSS)—teaching students the skills they need to be college and career ready. Each anchor standard is broken down into its key points, and a discussion of each anchor standard's central purpose helps outline the context for each required skill. This easy-to-read guide gives educators the kind of clear explanations, examples, and strategies they need to feel comfortable teaching the CCSS, and shows how CCSS skills can be integrated into virtually any existing lesson plan.

Getting a firm grasp of the anchor standards is the quickest way to start teaching the key concepts of the CCSS, and this user-friendly guide is designed to pave the way for both the first-time teacher and the experienced pro.
