First Voices: An Aboriginal Women's Reader

A collection of articles that examine many of the struggles that Aboriginal women have faced, and continue to face, in Canada. Sections include: Profiles of Aboriginal Women; Identity; Territory; Activism; Confronting Colonialism; the Canadian Legal System; and Indigenous Knowledges. Photographs and poetry are also included. "This volume brings us the stories of wisdom keepers and artists, academics and activists, the women who have carried us, and the women who have fought for our freedom, who are working in different ways to bring about justice and healing for our people and our land. It is a work of love, and of great beauty." —Bonita Lawrence, author of "Real" Indians and Others: Mixed-Blood Urban Native People and Indigenous Nationhood.
