## **Israelis and Palestinians: Conflict and Resolution** Moshé Machover

These essays, written between 1966 and 2010 by lifelong Israeli activist and theorist Moshé Machover, cover diverse aspects of Israeli society and the Israeli-Palestinian conflict. Elaborating on the ideas of the Socialist Organization in Israel (Matzpen), two interrelated themes appear throughout the collection: the necessity of understanding the Israeli-Palestinian conflict in a regional context and the connection between Palestinian liberation and the struggle for socialism throughout the Middle East.
