Making Strategy Work: Building Sustainable Growth Capability Timothy J. Galpin

The next-step book for managers who are charged with implementing their company's strategies.

In this hands-on book, Timothy J. Galpin outlines the steps managers need to take so they can confidently implement corporate strategy within their departments and divisions and throughout their organizations. The author bridges the gap that so often exists between strategy and action, and offers the tools managers need to translate plans into results-oriented strategic change. In addition, this practical book outlines the foundations of strategic planning, presents a conceptual model for making corporate strategy work, and shows how to apply a project perspective to strategy.
