**Practitioner Research in Counselling (Professional Skills for Counsellors Series)** John McLeod

`This is a practical guide to carrying out research in counselling and the helping professions generally. It covers all major aspects of research and guides the reader through the essential processes involved, from setting up and conducting a study, to analyzing data and evaluating findings' - *New Therapist*

This practical, informative and encouraging guide to doing research in counselling and the helping professions generally has been written with practitioners firmly in mind.

The book is a comprehensive yet accessible introduction which covers all major aspects of research and guides the reader through the essential processes involved, from setting up and conducting a study, to analyzing data and evaluating findings. In addition, the author provides guidelines for accessing research information and resources. With an emphasis on the acquisition of research skills and their practical application to counselling issues, **Practitioner Research in Counselling** shows how research can be used in a meaningful way by all practitioners.

### **From reader reviews:**

#### **James Kostka:**

As people who live in often the modest era should be update about what going on or facts even knowledge to make all of them keep up with the era which can be always change and advance. Some of you maybe can update themselves by examining books. It is a good choice in your case but the problems coming to an individual is you don't know which one you should start with. This Practitioner Research in Counselling (Professional Skills for Counsellors Series) is our recommendation to make you keep up with the world. Why, as this book serves what you want and want in this era.

#### **Kelsey Palermo:**

Nowadays reading books are more than want or need but also turn into a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book which improve your knowledge and information. The information you get based on what kind of publication you read, if you want get more knowledge just go with knowledge books but if you want experience happy read one along with theme for entertaining including comic or novel. The Practitioner Research in Counselling (Professional Skills for Counsellors Series) is kind of publication which is giving the reader erratic experience.

#### **Jeanie Hynes:**

Beside this specific Practitioner Research in Counselling (Professional Skills for Counsellors Series) in your phone, it can give you a way to get closer to the new knowledge or data. The information and the knowledge you can got here is fresh from your oven so don't always be worry if you feel like an older people live in narrow community. It is good thing to have Practitioner Research in Counselling (Professional Skills for Counsellors Series) because this book offers for you readable information. Do you at times have book but you rarely get what it's exactly about. Oh come on, that would not happen if you have this inside your hand. The Enjoyable set up here cannot be questionable, similar to treasuring beautiful island. Techniques you still want to miss the idea? Find this book and read it from at this point!

#### **Audrey Spence:**

As a scholar exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Practitioner Research in Counselling (Professional Skills for Counsellors Series) can make you truly feel more interested to read.
