The road to hell is paved with heavenly desire...

Angelic Avengers, Book 1

Fetch a soul? No problem. Quell a little shape shifter rebellion? She can do that, too. Just an average day in the afterlife of Arabella “Bella” Morrison. Or, what she hopes will become an afterlife after restoring the cosmic imbalance caused by her suicide over a love affair gone bad.

Protect a willful fallen angel? That takes a little more teamwork than she’s accustomed to. Especially when the team includes Gray Devereau, a sexy, half-breed angel who’s got an eye on her—in more ways than one. Their attraction could set fire to Heaven itself. Normally not a problem for Bella, but Gray’s sights are set on something more than a fly-by-night affair.

Save mankind from chaos? Bring it on. Let her heart trust a man enough to love again? It’ll be a cold day in hell...
