National Policy Responses to Urban Challenges in Europe (EURICUR Series (European Institute for Comparative Urban Research)) Leo van den Berg, Erik Braun

This book presents a unique overview of urban policy conducted by national authorities in the fifteen 'old' member states of the EU. It focuses on recent changes in the development of the larger cities and changes in policymaking by national authorities with respect to urban development. The book provides an up-to-date source of information, and will be of importance to anyone involved in the role and development of European cities as well as the formulation and delivery of associated national policies.
