"ILL TAKE TWO!" That's what Bibi Branchflower says about everything. She has two houses, two hats (exactly alike), and two silly dogs. But she doesn't have a single friend. When she comes across a beautiful jewel box, of course she wants two of them. Though there's only one like it in all the world, inside two dancers spin. Perfect! The shopkeeper explains that the box is enchanted—all who look on the ballerinas will see sorrow in their faces. Soon Bibi becomes more concerned with her sad ballerinas than with worldly riches. What will make them happy? It is her love that finally transforms them into living, breathing, happy children—and gives Bibi two real friends.
