## **The New Bloomsday Book: A Guide Through Ulysses** Harry Blamires

Since 1966 readers new to James Joyce have depended upon this essential guide to *Ulysses*. Harry Blamires helps readers to negotiate their way through this formidable, remarkable novel and gain an understanding of it which, without help, it might have taken several readings to achieve.

*The New Bloomsday Book* is a crystal clear, page-by-page, line-by-line running commentary on the plot of *Ulysses* which illuminates symbolic themes and structures along the way. It is a highly accessible, indispensable guide for anyone reading Joyce's masterpiece for the first time.

To ensure that Blamires' classic work will remain useful to new readers, this third edition contains the page numbering and references to three commonly read editions of *Ulysses*: the Oxford University Press 'World Classics' (1993), the Penguin 'Twentieth-Century Classics' (1992), and the Gabler 'Corrected Text' (1986) editions.
