Thinking in English: A New Perspective on Teaching ESL John B. Muciaccia

Thinking in English represents Dr. Muciaccia's unique method of teaching English to non-native English speakers. Unlike any other English as a Second Language (ESL) book, Muciaccia's book features the "cultural immersion" approach that he has developed and practiced to a fine degree. In addition to his methodology, Muciaccia includes words of encouragement and reviews from people who have benefited from his approach to teaching and learning English.
