## **Truancy** Isamu Fukui

In an alternate world, in a nameless totalitarian city, the autocratic Mayor rules the school system with an iron fist, with the help of his Educators. Fighting against the Mayor and his repressive Educators is a group of former students called the Truancy, whose goal is to take down the system by any means possible—at any cost.

Against this backdrop, fifteen-year-old Tack is just trying to survive. His days are filled with sadistic teachers, unrelenting schoolwork, and indifferent parents. Things start to look up when he meets Umasi, a mysterious boy who runs a lemonade stand in an uninhabited district.

Then someone close to Tack gets killed in the crossfire between the Educators and the Truants, and Tack swears vengeance. To achieve his purpose, he abandons his old life and joins the Truancy. There, he confronts Zyid, an enigmatic leader with his own plans for Tack. But Tack soon finds himself torn between his desire for vengeance and his growing sympathy for the Truants....

Isamu Fukui wrote *Truancy* during the summer of his fifteenth year. The author's purpose is not just to entertain, but to make a statement about the futility of the endless cycle of violence in the world as well as the state of the educational system. And, as he put it, "I need to be in school myself if I want to write about it."

#### **Helen Massey:**

Many people spending their time period by playing outside with friends, fun activity together with family or just watching TV all day every day. You can have new activity to spend your whole day by examining a book. Ugh, do you think reading a book can definitely hard because you have to take the book everywhere? It all right you can have the e-book, having everywhere you want in your Mobile phone. Like Truancy which is obtaining the e-book version. So , why not try out this book? Let's view.

#### **Bradley Cox:**

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Truancy can make you sense more interested to read.
