There are no words...

Holly Summers is deaf, but she "hears" thanks to her immense talent for lip-reading. A child welfare officer, Holly moonlights for the Portland, Oregon, police, using her unique gift to aid in criminal investigations -- including one into the case of a recent string of women who have vanished without a trace.

There is no sound...

Witnessing unimaginable evil in the abuse cases she handles, Holly fights every day to salvage broken young lives. But her good works spark plenty of enemies; someone has targeted this avenging angel with a supernatural vow to harm her. And the terror begins when Holly's young daughter disappears.

There are no dreams as dark as the horrors some men do.

Fending off the shadows of an unearthly predator and the very real threats facing a woman in a man's world, Holly must listen to her deepest instincts for survival -- to save the one person for whom she is living.
