Werewolves - Throughout the British Isles (Fantasy and Horror Classics) Montague Summers

Montague Summers was a prolific writer and public eccentric who harboured a lifelong interest in the occult. His 'real life' investigations, such as Werewolves – Throughout the British Isles, are classic occult texts, notable for their archaic writing style, intimate style of narration, and overtone of belief in the reality of the subjects treated. Many of the horror stories of monsters and ghouls, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
