Cassel comes from a shady, magical family of con artists and grifters. He doesn't fit in at home or at school, so he's used to feeling like an outsider. He's also used to feeling guilty—he killed his best friend, Lila, years ago.

But when Cassel begins to have strange dreams about a white cat, and people around him are losing their memories, he starts to wonder what really happened to Lila. In his search for answers, he discovers a wicked plot for power that seems certain to succeed. But Cassel has other ideas—and a plan to con the conmen.
