A Bright & Fletcher Mystery (4 Book Series) Jonathan Watkins

From Book 1:

The wit of *Sherlock*, the romance of *Bones*, and the grit of modern thrillers combine when two Detroit lawyers with something to prove go up against the impossible in Jonathan Watkins's new Bright & Fletcher mystery series. Darren Fletcher, once the rising star of Detroit's criminal justice system, has fallen far. All the way to an office in a smoky dive bar on the wrong side of the city. But a single phone call could be the key to climbing out of his downward spiral: a police brutality victim needs his help, and the family's willing to pay. Big-time. Issabella Bright's daily panic attacks aren't entirely due to her decision to forgo a flashy firm and go out on her own, but that's a large part of it. She never thought she'd resort to ambulance chasing, until the story about a SWAT raid gone wrong proves too intriguing to ignore—it's the perfect chance to prove she made the right decision. But Issabella's not the only one after the job. Darren's connections are enough to get past the cops stonewalling them *both* at the hospital, but only a judge's order makes Issabella even consider teaming up with the disheveled attorney and his weird—and weirdly effective—methods. But as the case deepens and it becomes clear the Detroit PD is concealing a much bigger conspiracy, Darren and his methods may be all that keep her alive. *Book one of the Bright & Fletcher Mysteries* 75,000 words
