Common Sense Guide to Health and Safety for the Medical Professional (Common Sense Guides to Health and Safety) Subash Ludhra

An essential and short guide for employees within the medical profession / care sector who need to know more about health and safety, from nurses, dentists and doctors, to care home managers, care workers, administrative staff and anyone else working within the medical / care sector. Whether it's for use alongside a training course or simply to brush up on your knowledge, it's perfect for equipping you with the principles of health and safety and infection control in the healthcare sector.

Friendly and accessible, this *Common Sense Guide* covers all the main aspects of medical health and safety in manageable chapters to provide you with the knowledge and understanding you need to look after yourself and others in the medical / care profession.

- Suitable for the non-health and safety professional
- Includes questions at the end of each module to consolidate your health and safety knowledge
- Certificate offered to those who complete the exam at the end of the book and return to be marked externally
