El valle del terror y Recuerdos de Sherlock Holmes (Spanish Edition)

Arthur Conan Doyle

El valle del terror y Recuerdos de Sherlock Holmes (Spanish Edition) Arthur Conan Doyle

Una novela innovadora que nos presenta una logia que es el mal absoluto y un libro de relatos que escribe Watson mientras Holmes está retirado de la actividad.

En *El valle del terror* Holmes y Watson tienen que enfrentarse con una banda de asesinos que persigue a un americano refugiado en Londres, después de luchar contra estos asesinos, Douglas debe refugiarse en Inglaterra, la banda le persigue, pero él consigue escapar, será entonces cuando los asesinos contraten al genio del mal, al hombre que casi acaba con la vida de Holmes, al profesor Moriarty. *Recuerdos de Sherlock Holmes*, sin embargo, es un libro de relatos antiguos que Watson saca de un cajón y publica, ahora que Holmes está retirado, asistiremos a una amenaza demoníaca, a un ritual de vudú y nos volveremos a encontrar con personajes conocidos como Mycroft, el hermano de Holmes.

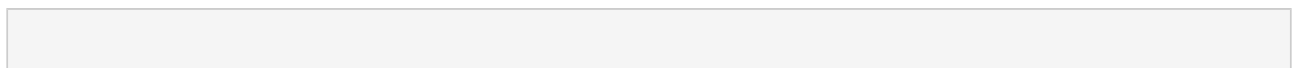

Conan Doyle innova en la primera novela con la estructura ya que la segunda parte recrea la lucha de Douglas contra la banda de asesinos, pero además nos presenta, por primera vez, a unos malvados nada ceremoniosos para los que el crimen es un puro acto de diversión. En sus relatos volverá a enfrentar a Holmes con lo sobrenatural para demostrar que muy pocas cosas escapan a la deducción. **Alberto Laiseca**, un apasionado de las historias del detective, consigue en su edición transmitirnos todo el humor, la intuición y la filosofía del detective de Baker Street.

Razones para comprar la obra:

- *La obra reúne una novela y un libro de relatos mostrándonos en un solo libro los dos formatos en los que nos han llegado tradicionalmente las aventuras de Holmes.*
- *El valle del terror no es una novela de investigación lineal, supone una novedad ya que la segunda parte es una analepsis ambientada en EEUU.*
- *Sherlock Holmes nunca pasa de moda pero ahora, está más de actualidad que nunca gracias a las películas de Guy Ritchie.*
- *Alberto Laiseca es un amante de las historias de Holmes que realiza una cuidada edición de las obras.*

Una novela en la que Holmes se reencuentra con Moriarty después de que este casi acabe con su vida y una colección de relatos que concluye con un nuevo intento, frustrado, por parte del autor de retirar a su personaje más inmortal.

“Son unas novelas que ofrecen al lector retos ante los casos a los que se enfrenta Sherlock Holmes y Watson y a la vez aventuras donde en más de una sus vidas correrán peligro.”(<http://lautopiadecasiopea.blogspot.com.es>)
