Summer of Sloane

Erin L. Schneider

Summer of Sloane Erin L. Schneider

Warm Hawaiian sun. Lazy beach days. Flirty texts with her boyfriend back in Seattle.

These are the things seventeen-year-old Sloane McIntyre pictured when she imagined the summer she'd be spending at her mom's home in Hawaii with her twin brother, Penn. Instead, after learning an unthinkable secret about her boyfriend, Tyler, and best friend, Mick, all she has is a fractured hand and a completely shattered heart.

Once she arrives in Honolulu, though, Sloane hopes that Hawaii might just be the escape she needs. With beach bonfires, old friends, exotic food, and the wonders of a waterproof cast, there's no reason Sloane shouldn't enjoy her summer. And when she meets Finn McAllister, the handsome son of a hotel magnate who doesn't always play by the rules, she knows he's the perfect distraction from everything that's so wrong back home.

But it turns out a measly ocean isn't nearly enough to stop all the emails, texts, and voicemails from her ex-boyfriend and ex-best friend, desperate to explain away their betrayal. And as her casual connection with Finn grows deeper, Sloane's carefree summer might not be as easy to come by as she'd hoped. Weighing years of history with Mick and Tyler against their deception, and the delicate possibility of new love, Sloane must decide when to forgive, and when to live for herself.

From reader reviews:

Arturo Hasan:

As people who live in the particular modest era should be change about what going on or data even knowledge to make these individuals keep up with the era that is always change and move ahead. Some of you maybe will update themselves by reading through books. It is a good choice for yourself but the problems coming to you is you don't know what one you should start with. This Summer of Sloane is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and want in this era.

Pearl McLean:

Information is provisions for folks to get better life, information today can get by anyone in everywhere. The information can be a knowledge or any news even restricted. What people must be consider while those information which is within the former life are hard to be find than now is taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you obtain the unstable resource then you understand it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take Summer of Sloane as the daily resource information.

Thomas Barreto:

As we know that book is essential thing to add our information for everything. By a e-book we can know everything we would like. A book is a range of written, printed, illustrated or blank sheet. Every year has been exactly added. This book Summer of Sloane was filled about science. Spend your spare time to add your knowledge about your scientific research competence. Some people has diverse feel when they reading some sort of book. If you know how big benefit of a book, you can feel enjoy to read a publication. In the modern era like today, many ways to get book that you simply wanted.

David Ruby:

A lot of e-book has printed but it differs from the others. You can get it by world wide web on social media. You can choose the very best book for you, science, comedian, novel, or whatever by simply searching from it. It is identified as of book Summer of Sloane. You can include your knowledge by it. Without causing the printed book, it may add your knowledge and make you actually happier to read. It is most significant that, you must aware about publication. It can bring you from one location to other place.
