What would it feel like if you realized that, from the very beginning, you were designed to look for, to find, and to receive God? That you were designed to awaken to reality? How would it feel to know that this would definitely happen in your lifetime, because you were made to accomplish this very thing?

Rather than encouraging us to seek God, Jason Shulman believes we need only make ourselves available to receive God, who is always present and awaiting us. In *The Instruction Manual for Receiving God*, you will encounter the presence of God through 108 seed passages —profound and insightful statements that are meant to unlock your mind and open your heart. Shulman offers generous reflection of each seed passage, illuminating the depth and meaning of its precious message. Reading this book is like entering a personal sanctuary where you will:

- Experience complete liberation—the act of being truly human
- Feel the constant rain of compassion washing over your spiritual life and receive the sacred blessings that are endlessly offered by reality itself
- Learn practical ways to connect to the Divine each and every day

Whether read cover-to-cover or opened to a random verse for inspiration, *The Instruction Manual for Receiving God* is a book readers of all faiths will cherish and return to time and again. Here, Jason Shulman offers contemplations that access the reality of God, who is always knocking at the door of our hearts ... and whose Voice is always speaking.
