**Sadri Returns to Bali: A Tale of the Balinese Galungan Festival** Elisabeth Waldmeier  
With beautiful illustrations done in the traditional Balinese style, this multicultural children's book celebrates an important Balinese festival.

The Galungan festival in Bali marks the victory of dharma (order) over adharma (disorder). It is celebrated by the Balinese Hindus, who believe that during these ten days of prayers, offerings, and feasting, their revered ancestors return to their former homes to be welcomed and entertained.

Using this entrancing setting, Swiss illustrator and painter *Elisabeth Waldmeier* relates the exhilarating festival of the fun-loving Balinese people through the eyes of a former child dancer, Sadri, who descends to his previous home to participate in the annual rapturous village celebrations. A delightful story accompanying enchanting and detailed illustrations, this book will captivate both children and adults alike.
