The Accidental Feminist: Restoring Our Delight in God's Good Design Courtney Reissig

Many Christian women wouldn't identify themselves as "feminists." However, according to Courtney Reissig, we've all been influenced by the feminist movement in profound ways, unconsciously reflecting our culture's notions about what it means to be a woman. Helping readers navigate a wise path in the midst of a confused world, this book chronicles the journey of a wife, mom, and successful writer as she recounts her journey from "accidental feminism" to a biblical view of womanhood. Filled with wise insights related to relationships, body image, and women's roles in the home and the church, this thought-provoking book will help Christian women carefully consider these important issues.
