A millionaire's worst nightmare...

Just when complete control of his company seemed within his grasp, Alexander Whitmore found himself sharing ownership...with a country bumpkin! Surely innocent, fresh-scrubbed Lizzie Hammill would sell him her shares and hop the next plan back to Packenham Junction. And surely this pesky throbbing in his heart was anger, not *attraction*...

A woman's dream come true?

After years as a perpetual baby-sitter and bridesmaid, Lizzie had every intention of giving the Manhattan boardroom a whirl. She just had to ignore Alex's objections...and his bedroom eyes. The sexy businessman was everything Lizzie dreamed of in a husband, but she had to take care. Alex could soon own the company—and her heart!

Donald Ventura:

As a university student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Big-City Bachelor can make you really feel more interested to read.
