## **La idea de la fenomenología (Spanish Edition)** Edmund Husserl

Se recogen en este volumen las lecciones impartidas por Edmund Husserl en 1907, que suponen la primera exposición pública del sentido y de las implicaciones del nuevo método descubierto por el autor, la conocida «reducción fenomenológica», y permiten comprender el paso de la fenomenología descriptiva de Investigaciones lógicas (1900) a la fenomenología transcendental de Ideas I (1913).

Nos hallamos ante un texto que, por su importancia en el desarrollo del pensamiento husserliano y por su inusitada claridad conceptual y expositiva, ha sido traducido y reimpresso varias veces en diferentes idiomas.
